# NHS training

This 3-week training course is designed for those looking to kick start a rewarding career with the NHS. Ultimately this course is about providing you with the basic skills to become confident in the follow job roles;

The jobs will be in a variety of roles including:

- o Patient facing roles such as Health Care Assistants and Support Workers
- o Non-patient facing roles, such as admin and logistics based roles, in a variety of departments
- o Mass Vaccination Service
- o Physical and Mental Health Care within the hospitals and community based settings
- o There are a variety of Bank, Fixed Term and Permanent contracts potentially available

**Start Dates**  
**10<sup>th</sup> Jan**  
**31<sup>st</sup> Jan**  
**21<sup>st</sup> Feb**

## Course overview

Throughout this virtual course you will develop your skills and knowledge to support your NHS application in :-

- Health and Safety awareness
- Principles and Values in Health and social care
- Person-centred support in Health, social care
- Service Provision and Roles within Health and social care
- Infection prevention
- Introduction to mental health
- Working with others in Health, social care and children’s and young people’s settings

Attendees will gain qualifications in the above as well as receiving bespoke

### Training from Somerset foundation Trust

This 3-week course is delivered as follows

Weeks one and two virtually through Microsoft Teams.

You will need a laptop or PC with internet access.

Week three at a local NHS training centre / you will be informed of the location on the Information session.

**Information sessions are each Friday before the course start date**
