

Dear Stakeholder

Connect to Work – Update on Procurement and Tender process – January 2026

We wanted to inform you that the procurement and tender process for the delivery of the Connect to Work programme has been reviewed, and an Invitation to Tender (ITT) is likely to be published by the end of April 2026.

This adjustment allows us to ensure the process is robust and aligned with programme objectives.

We appreciate your understanding and will keep you updated as timelines are confirmed.

In the meantime, if you have any queries please don't hesitate to contact myself or a member of our team.

Kind regards

Sue Taylor
